HITLER ATTEMPTS TO PEACEFULLY RESOLVE DISPUTE OVER THE “POLISH CORRIDOR”

The “free city” of Danzig is 95% German. Along with its surrounding German area of East Prussia, Danzig was isolated from the German mainland by the Versailles Treaty. Formerly German territory now belongs to Poland, cutting right through the Prussian/Pomeranian region of Germany. As had been the case with Germans stranded in Czechoslovakia, the Germans in Poland *(those not expelled in 1919)* are a persecuted minority.

Hitler tries to solve the problem of the ”Polish Corridor” peacefully. He proposes that the people living in Danzig and the “corridor” be permitted to vote in a referendum to decide their status. If the region returns to German sovereignty, Poland will be given a 1 mile wide path, running through Germany to the Baltic Sea so that it would not be landlocked.

The Poles consider Hitler’s solution, but behind the scenes, Poland is urged by FDR to not make any deals with Germany. When it becomes apparent to Hitler that Poland will not allow a referendum, he then proposes another solution – international control of the formerly German regions. This sensible offer is also ignored.

The Globalists intend to use foolish Poland as the match which ignites World War II.

**AUGUST 25 1939**

**BRITAIN AND POLAND SIGN A COMMON DEFENSE PACT**

The Polish-British Common Defense Pact contains promises of mutual military assistance between the nations in the event either is attacked by another European country. This builds upon a previous agreement (March 1939) between the two countries, and also France, by specifically committing to military action in the event that Poland is attacked.

With this agreement, powerful Zionist-Globalist forces in the UK have now trapped the reluctant Prime Minister Neville Chamberlain, as well as France and Poland. All that is left to do now is for Polish-Jewish border thugs to deliberately provoke Germany into action and get the ball rolling.
AUGUST 31 1939

THE GLEIWITZ INCIDENT:

JEWISH POLISH TERRORISTS ATTACK A GERMAN RADIO STATION

Overestimating their strength, underestimating German strength, and knowing that France and the UK would now be forced to back them, Polish-Jewish terrorists cross the border and attack a German radio station in Silesia, Germany. It is actually the latest in a string of deliberate border instigations against Germany.

The "Poles" then broadcast a message (in Polish) urging others to take up arms and start attacking Germans. German police quickly arrive and retake the station, killing one of the Red terrorists.

Jewish Red terrorists, their Polish government protectors, and their Globalist-Zionist masters have picked a fight with Germany!
Modern historians claim that the Gleiwitz incident was staged by Germans dressed as Polish terrorists. But as is the case with the Reichstag Fire conspiracy theory, they offer no evidence, (beyond a forced “confession” obtained after the war) to support this theory – a theory that ignores the outrageous and repeated pattern of provocations directed at Hitler's Germany ever since 1933, the numerous border incidents, and also Hitler's sincere attempts to negotiate a fair resolution to the Corridor and Danzig controversies.

QUOTE TO REMEMBER
"I lived in Germany during the 1980's when many people who lived during the war were still alive. I sought out anyone who lived near Poland in 1939 and was lucky enough to meet several people. One was a customs official who said it was so bad on the border they were armed and also had grenades in their office ready for attacks. Another told me his farm animals were often stolen by Polish (Jewish?) terrorists. Another told of his niece being raped by a Pole (Jew?) who crossed the border. He told me in 1940 they caught the man and showed me a copy of the death order signed by Heydrich, in which he ordered the man, put to death. This is just one of many stories told to me by German civilians who witnessed these border incursions just like had happened in 1919-1928. One thing many people fail to see is that Poland openly attacked Germany right after World War I, which led to many border battles. Once Germany started pressing Poland to work out a solution to the corridor, the attacks started again. And one thing that is clear to me is that Germany did not make up these attacks."

Hitler has had about all he could take from Poland.

USSR INVADES POLAND!

STALIN VIOLATES THE PEACE PACT HE MADE WITH POLAND
ALLIES BETRAY POLAND!

With the Polish army being routed by the advancing Germans in the west, Joseph Stalin cleverly decides to break the Soviet-Polish Non-Aggression Pact of 1932. Poland is stabbed in the back as Soviet forces pour in from the east. The advancing Reds carry out massacres, the most infamous being the Katyn Forest Massacre in which 10,000 Polish Army officers are shot in the head.

Other than the pre-Versailles German areas which Germany will reclaim, the Soviets will conquer all of Poland. In a shocking double-standard, the anti-German Globo-Zio press, FDR, France & the UK remain oddly silent about this brutal Soviet aggression.

Poland appeals to Britain for help, citing the Poland-British Common Defense Pact that had been signed a few weeks ago! The Polish ambassador in London contacts the British Foreign Office pointing out that clause 1(b) of the agreement which concerned an "aggression by a European power" on Poland, should apply to the Soviet invasion. The British Foreign Secretary responds with hostility, stating that it was Britain's decision whether to declare war on the Soviet Union!
The truth is, the Allies don't give a rat's ass about Poland. They only used its foolish ultra-nationalist leaders to instigate Hitler so that they could have their war. The horror that Poland will suffer under Soviet occupation is Poland's problem, not Britain's!

**GERMANY IS VICTORIOUS**

**EAST PRUSSIA & DANZIG RETURN TO GERMANY**

**HITLER RECEIVES A HERO'S WELCOME**

Within a few weeks, the German-Polish War is already over. Hitler receives a hero's welcome upon his arrival in liberated Danzig. Hitler addresses the Danzig crowd: “No power on earth would have borne this condition as long as Germany. I do not know what England would have said about a similar peace solution (Versailles) at its expense or how America or France would have accepted it."

I attempted to find a tolerable solution - even for this problem. I submitted this attempt to the Polish rulers in the form of verbal proposals. You know these proposals. They were more than moderate. I do not know what mental condition the Polish Government was in when it refused these proposals. As an answer, Poland gave the order for the first mobilization. Thereupon wild terror was initiated, and my request to the Polish Foreign Minister to visit me in Berlin once more to discuss these questions was refused. Instead of going to Berlin, he went to London.”

**OCT 1939 – MAY 1940**

**HITLER PLEADS WITH FRANCE AND BRITAIN FOR PEACE**

The German-Polish War has ended quickly. There is nothing that the Allies can do help their Polish puppet. The French actually invade Germany on September 7th, advancing 8 km before stopping. The quiet period between the end of the Polish war until May 1940, was dubbed by a US Senator as "The Phony War."

During this time, Hitler pleads for the Allies to withdraw their war declarations. Towards France he declares:

"I have always expressed to France my desire to bury forever our ancient enmity and bring together these two nations, both of which have such glorious pasts."

To the British, Hitler says:
"I have devoted no less effort to the achievement of Anglo-German understanding, no, more than that, of an Anglo-German friendship. At no time and in no place have I ever acted contrary to British interests..."Why should this war in the West be fought?"

Hitler's pleas for peace are ignored as the Allies amass 600,000 troops in Northern France.

Plans are openly discussed to advance eastward upon Germany through Belgium and Holland, as well as establishing operations in neutral Norway and Denmark, with or without their consent.

**NOV 4, 1939**

**FDR REPEALS THE NEUTRALITY ACTS**

The Neutrality Acts prohibited the United States from selling arms to warring nations. The purpose of these acts was to prevent the US from again becoming involved in Europe's wars.

Throughout the 1930's, FDR and his Zionist advisor Bernard Baruch (who had also been an advisor to Woodrow Wilson), anticipating a new war against Germany, had unsuccessfully tried to amend the previous Neutrality Acts. Soon after Germany and Poland began fighting, FDR again urges Congress to repeal the Neutrality Acts.

In November of '39, a new Neutrality Act is passed. The sale of arms to the UK is now legal. The scheming FDR has taken a big step towards involving the US in a war that his Zio-Globo handlers have long been agitating for.

**NOV 30, 1939**

**THE SOVIETS INVADE FINLAND**

**STALIN VIOLATES THE PEACE PACT HE HAD MADE WITH FINLAND**

Just two months after swallowing Poland, Stalin launches an invasion of Finland. As he had with Poland, Stalin again breaks a 1932 non-aggression pact he had agreed to; The Soviet-Finnish Non-Aggression Pact of 1932.

The invasion is massive, with 21 Soviet divisions consisting of 450,000 Red Army troops. Stalin expects to overwhelm Finland in a matter of weeks, but the brave and outnumbered Finns stage a heroic defense of their homeland. The "Winter War" is an embarrassment for Stalin. A treaty is signed the following March, but the Finns are forced to give up 10% of their territory.
Stalin has now broken two non-aggression treaties and annexed territory from both betrayed parties (Poland & Finland) The "International Community" verbally condemns the Soviet invasion, but once again, there are no calls for boycotts, nor any declaration of war against the USSR as there was against Germany.

**APRIL 9 1940.**

**GERMANY LAUNCHES PRE-EMPTIVE OCCUPATION OF NORWAY & DENMARK**

The Allied plan of attack is to disrupt Germany’s iron ore imports from Sweden by illegally mining Norwegian waters, and then occupying the important Norwegian port of Narvik. Plans are also made for imposing a base of operations in Denmark, Germany’s neutral neighbor to its north.

A Norwegian politician named Vidkun Quisling confirms the existence of these Allied schemes (Operation Wilfred and Plan R 4). Sympathetic to Germany, and not wanting his country to become a battlefield, Quisling informs Hitler of the Anglo-French plot to wage war from the two Scandinavian countries.

Germany moves quickly to secure the Norwegian port of Narvik before the British can place their mines, and also to occupy Denmark. German diplomats assure the leaders of both Scandinavian nations that Germany seeks neither conquest nor interference in internal politics. Life under limited German occupation goes on quietly for the Scandinavians during the war.

Quisling’s name is today a dictionary word in the English language, synonymous with “traitor” – a totally unfair characterization.

**MAY 10, 1940**

**BRITAIN INVADES NEUTRAL ICELAND**

The British invasion of tiny, neutral Iceland is code named "Operation Fork." It begins on May 10, 1940 (the same day that Churchill comes to power!) with British troops disembarking in the Capital City of Reykjavik. The British quickly move inland, disabling communications networks and securing landing locations. The government of Iceland protests the violation of their neutrality, but to no avail.

This force is then subsequently augmented, to a final strength of 25,000. The recently thwarted British occupations of neutral Denmark and Norway, and the successful occupation of neutral Iceland, show that Rothschild Britain is the true aggressor of the coming war. Although FDR, up until December 1941, promises that America will remain non-belligerent, 30,000 US troops will relieve the British and occupy Iceland in the spring of 1941.
MAY 10 1940

WINSTON CHURCHILL BECOMES PRIME MINISTER OF GREAT BRITAIN

With the preparations for war in place, the reluctant warrior Neville Chamberlain is pushed aside as the lunatic, drunk; cigar chomping Winston Churchill takes his place. Churchill's record of treason already includes the World War I sinking of the Lusitania (when he was Lord of the Admiralty).

Churchill, and his wealthy London Zionist backers, have been advocating for war with Germany for the past 5 years. His warmongering had made him an outcast in British politics. But now, with the Zionist press of Britain misrepresenting the facts surrounding the German-Polish War, Churchill is portrayed as some sort of wise prophet.

Hitler knows very well who Churchill is, and who he works for. He has even referred to Churchill in past speeches as part of Britain's "government of tomorrow". With Chamberlain gone and Churchill now in power, Hitler now knows for certain that "the Phony War" is about to become very real.

MAY 10 1940

GERMANY LAUNCHES PRE-EMPTIVE INVASION OF BELGIUM, HOLLAND & LUXEMBOURG

Hitler’s pleas for peace have been repeatedly ignored as approximately 600,000 British and French troops have been massed in northern France.

The massive attack against Germany is to come through the countries of Belgium and The Netherlands (Holland), whose governments are under intense Allied pressure to allow safe passage for the planned Alliance invasion of Germany.

Again, Hitler's hand is forced.

On the same day that Churchill comes to power, and as an act of national self-defense, Germany takes the fight to the Allies before they can bring it to German soil and reinstitute a 2nd Versailles Treaty.

In a stunning advance westward, the German Blitzkrieg quickly overtakes the smaller nations, and pushes the Allied armies into a full retreat towards the beaches of northern France.

The Globo-Zionist press, as well as today’s history books, portrays the Blitz as “the conquest of Holland, Belgium, and France.” But the menacing presence of the 600,000 Allied troops is conveniently ignored.
JUNE 1940

SOVIETS INVADE LATVIA, LITHUANIA, ESTONIA, AND EASTERN ROMANIA

With the eyes of the world focused on events in Western Europe, Stalin continues to expand his Evil Empire. The Reds annex the tiny defenseless Baltic states of Latvia, Lithuania, and Estonia. Stalin also annexes parts of eastern Romania.

The Soviet Union has now invaded 6 countries in just 10 months!

Yet the western Globalists only remain obsessed with attacking Germany, whose leader continues to plead for peace.

QUOTE TO REMEMBER

"He (Hitler) then astonished us by speaking with admiration of the British Empire, of the necessity for its existence, and of the civilization that Britain had brought into the world. ....He compared the British Empire with the Catholic Church saying they were both essential elements of stability in the world. He said that all he wanted from Britain was that she should acknowledge Germany's position on the Continent. The return of Germany's colonies would be desirable but not essential, and he would even offer to support Britain with troops if she should be involved in difficulties anywhere."

- German General von Blumentritt

Ignoring the advice of his Generals, a gracious act by Hitler allows the trapped British soldiers to escape from Dunkirk.

JUNE 1940

AFTER GERMANY’S DEFEAT OF THE ALLIES, BENITO MUSSOLINI JOINS THE WAR!

Upon seeing Germany’s stunning victory in 1940, Benito Mussolini, the opportunistic, ego-driven Leader of Italy, ends Italy’s neutrality and allies himself with Germany. He declares war on France (which was already beaten and occupied) and also on the UK, (which had already been chased out of Europe at Dunkirk).

Unlike Hitler’s defensive war, Mussolini dreams of conquest, hoping to restore a new Roman Empire in North Africa. But his reckless adventures will prove to be very costly to Hitler. In August of ’40, Italy occupies British Somaliland in East Africa. In September, Italy invades Egypt, occupied by the British since a 1936 Treaty to protect the Suez Canal.

In picking a fight with Britain, Mussolini bites off far more than the unimpressive Italian military can chew. The superior British land and naval forces dominate their Italian adversaries, giving Churchill a potential continental opening to invade a now non-neutral Italy from Africa.
JUNE 22 1940

THE NEW GOVERNMENT OF FRANCE MAKES PEACE WITH GERMANY

As the fleeing French government collapses, the Germans enter undefended Paris on June 14 '40. The new government is headed by the World War I hero Marshal Philippe Petain, who agrees to make peace.

Unlike the brutality of The Versailles Treaty, the terms of this Armistice are light, requiring only that Germany continues to occupy northern France as a defensive measure against a British invasion of the continent. The new French government has its administrative offices in the southern city of Vichy. Other than the strategic occupation in the north, it remains a sovereign nation.

Life in occupied France goes on quietly. German soldiers establish an excellent reputation for good behavior, and charm with the French ladies.

Meanwhile, back in England, Churchill and French General Charles De Gaulle fume over Marshal Petain's unwillingness to continue fighting. Hitler would like to see Petain ally his country with Germany, but Mussolini's stab-in-the-back war declaration upon France leaves such a bitter taste in the mouths of Frenchmen, that they cannot possibly join an German-Italian alliance.

JULY 1940

BATTLE OF BRITAIN AIR CAMPAIGN BEGINS

CHURCHILL BOMBS GERMAN CIVILIANS

With British ground troops having been chased off of the European mainland, Churchill and his London/New York Banking Bosses can only continue the fight over air (and sea). The British Royal Air Force is ordered to bomb civilian areas. Churchill hopes to provoke a similar response from Hitler so that he and FDR can point to “German bombing of civilians.”

In a July, 1940 memo to the Minister of UK Air Craft production, the beast Churchill writes:

"When I look around to see how we can win the war I see that there is only one sure path. We have no Continental army which can defeat the German military power... ...there is one thing that will bring him (Hitler) down, and that is an absolutely devastating, exterminating attack by very
heavy bombers from this country upon the Nazi homeland. We must be able to overwhelm them by this means, without which I do not see a way through.”

The notorious drunk will bomb German civilian areas seven times, including Berlin neighborhoods. But Hitler refuses to do the same.

German bombers are under strict orders to limit their attacks to military/industrial targets only.

Finally, on September 4, '40, Hitler is forced to openly declare that any more British bombings of civilian areas will be met with a similar response. When the German Air Force drops its first bombs on British civilian areas, the world press declares “Germany Bombs Civilians.”

As he had done with the orchestrated sinking of the Lusitania in 1915, Winston Churchill has once again deliberately brought on the deaths of innocent men, women, and children in order to achieve political goals.

SEPTEMBER 1940

“AXIS” NATIONS GERMANY, ITALY, AND JAPAN SIGN THE TRIPARTITE PACT

Understandably, Germany and Japan are equally suspicious of FDR’s true intentions. To discourage American military involvement in either Germany’s war with Britain, or Japan’s unrelated war with China, the two nations and Italy sign the “Tripartite Pact”.

Japan, Germany, and Italy agree to assist one another with all political, economic and military means if one of the contracting nations is attacked by a nation at present not involved in the European War or in the Japanese-Chinese conflict.

The hope is that this pact will keep America out of the war. Ironically, the defense pact will end up actually facilitating FDR’s scheme to draw America in.

OCTOBER 1940

ROMANIA ACCEPTS GERMAN PROTECTION OF ITS OIL FIELDS

The Soviets have already annexed parts of anti-Communist Romania. The Red Army now sits dangerously close to the Ploesti oil fields, upon which Germany is dependent for energy.

Stalin is up to something in southeast Europe, and Hitler knows it. With the approval of Romania, German troops arrive to protect the oil fields from the Soviet threat.

FDR INSTITUTES FIRST EVER PEACETIME MILITARY DRAFT

While publicly insisting that American boys "will not being going to foreign wars", FDR continues to secretly prepare for US entry into the Globalists' World War. FDR institutes a peacetime "Selective Service" Act which requires all males aged 26-35 to register for an upcoming draft "just in case". The actual draft begins in October 1940. The unlucky draftees are told that they will serve a 12 month term, based in either the Western Hemisphere, or a US territory.

By the summer of 1941, the deceitful FDR (who is planning to trick America into the war by way of a Japanese provocation) decrees that their terms to be lengthened. The outraged draftees protest FDR's broken promise, and threaten to desert when their 12 months are up. But most of them obey the new order and continue to serve past the promised October 1941 release date, and right up until the "surprise attack" upon Pearl Harbor in December of 1941.

This is the first, and only, peacetime draft in US history.

OCT 28 1940

ITALY INVADES GREECE

Italy had occupied tiny Albania in the spring of 1939. Mussolini now turns his ambitions towards Greece. Greece has very good relations with Germany, but Mussolini wants to claim the Ionian islands from Greece. Italy’s invasion of Greece is unrelated to Germany’s war and creates an unexpected problem for Hitler. The Greeks repel the Italian invasion. The British offer to send troops to assist the Greeks. Churchill now has a potential opening on the European mainland from which he can move northward towards Germany, and eastward towards Romania and the crucial oil fields which supply Germany.

1940

THE ROCKEFELLER BROTHERS TRUST FUND IS ESTABLISHED

By 1940, the Rockefeller Family of oil and banking fame has solidified its place among the Globalist dynasties. What the 5 Billionaire Rothschild Brothers of the 1800's were to the European branch of the New World Order, the 5 Billionaire Rockefeller Brothers of the 1900's will be to the American branch.
John D. Rockefeller Jr. establishes the Fund as a vehicle for his five spoiled sons to promote socialism and Globalism through "philanthropy". The Fund will one day also finance ugly "modern art", "feminism" and "environmentalism". The 5 Rockefeller Brothers are:

Nelson Rockefeller: Governor of New York '59-'73, US Vice President '74-'77;
John D. Rockefeller III: Eldest son; Philanthropist, donated the land for the United Nations;
Laurence: Venture capitalist: Radical Environmentalist;
Winthrop: Philanthropist, Governor of Arkansas '67-'71;
David: Banker: Former Director of the CFR, founder of the Tri-Lateral Commission, last surviving brother.

**AFTER LYING ABOUT HIS INTENTIONS, FDR WINS RE-ELECTION AGAINST GLOBALIST “PATSY” WENDELL WILKIE**

Throughout the Election year of 1940, nationalist Republicans warn that FDR is plotting to bring the US into war. Because the public is strongly opposed to entry in another war, FDR reassures voters that the “isolationists” are misrepresenting his intentions. During the campaign, FDR gives his famous “Again and again” speech: “I say to you mothers and fathers and I shall say it again and again and again. Your boys will not be sent into any foreign wars.” The Globalist wing of the GOP (Republican Party) hijacks the nominating process and puts up an unknown patsy, an “ex-Democrat” named Wendell Willkie to run against FDR. Many Republicans are shocked when the GOP (supported by the media’s hype of Willkie) anoints an unknown New York lawyer who never held any office.

Willkie runs a half-baked campaign and loses badly. FDR is elected to an unprecedented 3rd (and later a 4th) term. Afterwards, FDR gives Willkie a job as an Ambassador!

**GERMANY ARRIVES IN AFRICA TO BAIL OUT THE ITALIANS**

The first units of the German ‘Afrika Korps’ arrive to rescue the collapsing Italian war effort in February of 1941. General Erwin Rommel, known as the Desert Fox, commands the German force in North Africa. Rommel will eventually establish the upper hand in Africa, but
this diversion of manpower and resources to Africa proves to be a costly hindrance for Germany.

**March 1941**

**American Zionist Theodore Kaufman Publishes**

"Germany Must Perish"

German Readers are Horrified at Its Contents.

"Germany Must Perish" is a 104 page book published by an American Zionist businessman named Theodore Kaufman, in March of 1941. In "Germany Must Perish!" Kaufman calls for the complete extermination of the German people through forced sterilization, and the total dismemberment and reapportionment of German territory. The murderous hate starts out in the very opening lines of Germany Must Perish as follows: "This dynamic volume outlines a comprehensive plan for the extinction of the German nation and the total eradication from the earth, of all her people. Incredibly, at a time when America is supposedly "neutral", the hateful book is actually reviewed by The New York Times, Time Magazine and the Washington Post. Though not widely distributed in America, Germany Must Perish is read throughout Germany. Propaganda Minister Dr. Josef Goebbels writes: "Thanks to the Jew Kaufmann, we Germans know only too well what to expect in case of defeat." "Germany Must Perish!" will inspire the frightened German people to fight harder. Kaufman's work, along with the deadly Jewish Partisan guerilla warfare against German troops, contribute to Hitler's decision to intern the Jews in work camps in '41-'44.

FDR Signs Lend-Lease Into Law

War Material to be Shipped to the UK

Britain is running short of arms and supplies as Germany continues to offer peace on terms favorable to Britain. Churchill will not listen to reason because, behind the scenes, FDR is reassuring him that the US will support the UK at all costs. With his successful re-election campaign of 1940 out of the way, FDR becomes bolder in confronting the anti-war "isolationists".
The Lend-Lease program places the awesome industrial might of the US at the disposal of the UK, China, and later on, the Soviet Union. The US is to be “the Arsenal of Democracy” says FDR. Britain will eventually receive $31 Billion worth of war supplies (about $500 Billion at 2011 prices!)

**APRIL 6 1941**

**GERMANY BLOCKS THE BRITISH BY INVADING GREECE AND YUGOSLAVIA**

Though unrelated to Germany's war, Mussolini's foolish adventure in Greece creates a big problem for Hitler. As Italian forces meet stiff Greek resistance, Churchill uses the conflict as an opportunity to again establish armies on Europe's mainland, in Europe’s “soft underbelly”. British troops arrive in Greece to help the Greeks in their fight against the Italians.

Hitler offers to mediate a peace between Italy and Greece, but the Greeks (egged on by the British) won't come to the table as more British troops keep arriving.

At the same time, British intelligence orchestrates a coup in Yugoslavia (March ’41). The new Yugoslavian regime is now an anti-German British puppet state, which immediately signs a "Treaty of Friendship" with the USSR, and actually borders Germany along its Austrian region.

Again, Hitler’s hand is forced. If he does not act now, the “soft underbelly” of Europe will be flooded with British troops destined for southern Germany, as well as Romania’s oil fields, upon which Germany depends. On April 6, ’41, the Germans invade both Greece and Yugoslavia. The still small number of British troops are forced to evacuate, spoiling Churchill's scheme to inflame southern Europe.

Naturally, the Globalist media simplistically portrays these events as: “Hitler conquers Greece & Yugoslavia”.

**MAY 10, 1941**

**RUDOLF HESS PARACHUTES INTO SCOTLAND WITH AN OFFER OF PEACE!**

Rudolf Hess is Germany’s Number 3 in command and a close friend of Hitler. In May of 1941, Hess (who is fluent in English) flies a solo mission over Scotland and parachutes in carrying an offer of peace! He is hoping to link up with the Duke of Hamilton, who he had befriended at the 1936 Berlin Olympics, and convince his British acquaintance of Germany’s sincere desire for peace. But he is arrested instead. On Churchill's orders, Hess is held in solitary confinement for the duration of the war.
After the war, Hess is "tried" at Nuremberg and then sentenced to life in East Berlin's Spandau prison. With the liberalization of the USSR in the 1980's, there is talk of finally releasing him. But he is said to have committed suicide in his cell in 1987. His family believes that the 93-year old Hess was murdered so that the details of his peace mission would remain buried forever.

**MAY - JULY 1941**

**FDR ESCALATES HIS PROVOCATION OF GERMANY AND JAPAN**

Long before the German-Polish conflict, FDR had waged a silent war against Germany. With Germany now in control the European situation, FDR is even more desperate to drag America into Britain's war. He relentlessly baits Hitler.

To that end: the US impounds German ships, sinks German subs, freezes German, Italian, and Japanese financial assets, assists the British Navy in spotting and sinking The Bismarck (killing 2200 German sailors), and ships large amounts of arms to Britain. Hitler bears the humiliating provocations quietly; knowing that US entry into the war would be disastrous for Germany.

Realizing that Hitler will not take his bait, FDR further instigates the Japanese. The Axis Powers, (Germany, Japan, and Italy) are parties to a mutual defense pact (Tripartite Pact). An attack on one means war with all. FDR will turn the Tripartite Pact to his advantage.

**JUNE 22 1941.**

**HITLER THWARTS STALIN'S PLAN TO INVADE EUROPE**

**GERMANY INVADES SOVIET UNION**

As Germany and Britain fight each other in the air, at sea, and now Africa, Stalin quietly masses his Red Army along Germany's eastern frontier, near the Romanian oil fields that supply Germany. Hitler knows that Stalin cannot be trusted. He recalls how Stalin broke a non-aggression pact and pounced on Poland while the Poles were pre-occupied with Germany. Another non-aggression pact was broken when Stalin attacked Finland. Soviet invasions of the Baltic States and eastern Romania offer still more proof that Stalin's intentions cannot be trusted.

Now, with Germany and Britain distracted, Stalin threatens all of Europe. Hitler had hoped to remove the Soviet threat in April, but invasion plans were delayed by Mussolini's misadventures.
in Africa and Greece. When “Operation Barbarossa” is launched, the Red Army is caught flat-footed and bunched up in offensive positions. Millions of Soviet troops are taken prisoner, and the devastating loss of weaponry and equipment leaves the Red Army neutralized. Up to 65% of all Soviet tanks, field guns, machine guns, and anti-tank guns are either destroyed or captured. The Germans rout the Reds all the way back to the gates of Moscow, liberating the cheering Ukrainian and Baltic peoples along the way.

It is only the onset of the brutal Russian winter that forces the Germans to pause their stunning offensive. The 2 month delay due to Mussolini’s folly in Greece saves Stalin’s regime from a total 1941 collapse.

**Hitler saved all of Europe from Soviet conquest.**

"Already in 1940 it became increasingly clear from month to month that the plans of the men in the Kremlin were aimed at the domination, and thus the destruction, of all of Europe. I have already told the nation of the build-up of Soviet military power in the East during a period when Germany had only a few divisions in the provinces bordering Soviet Russia. Only a blind person could fail to see that a military build-up of world-historical dimensions was being carried out. And this was not in order to protect something that was being threatened, but rather to attack that which seemed incapable of defense ... I may say this today: If the wave of more than 20,000 tanks, hundreds of divisions, tens of thousands of artillery pieces, along with more than 10,000 airplanes, had not been kept from being set into motion against the Reich, Europe would have been lost."

- Adolf Hitler, 12-11-1941

**JUNE 24 1941**

**FDR RESCUES STALIN!**

**US EXTENDS MASSIVE LEND-LEASE MILITARY AID TO THE SOVIETS**

With Stalin’s Evil Empire facing swift extinction at the hands of Hitler’s superior armed forces, FDR moves quickly to rescue Stalin's murderous regime. FDR unfreezes Soviet assets that had been frozen after Stalin’s attack on Finland in 1939, enabling the Soviets to immediately purchase 59 Fighter aircrafts. The “Arsenal of Democracy” now becomes “The Arsenal of Communism.”

By 1945, the staggering amount of Lend-Lease deliveries to Stalin include 11,000 aircraft, 4,000 bombers, 400,000 trucks, 12,000 tanks and combat vehicles, 32,000 motorcycles, 13,000 locomotives and railway cars, 8,000 anti-aircraft cannons, 135,000 submachine guns, 300,000 tons of explosives, 40,000 field radios, 400 radar systems, 400,000 metal cutting machine tools, several million tons of food, steel, other metals, oil and gasoline, chemicals etc.
Without this enormous infusion of US aid, the Germans would easily have finished off Stalin’s Empire after the spring thaw of 1942.

**STALIN ORDERS “PARTISAN” WARFARE TO BE UNLEASHED UPON THE WEHRMACHT (GERMAN ARMY)**

**JEWISH PARTISAN GROUPS ALSO FORM**

The Communist Party of the Soviet Union calls upon Party, Soviet, and Trade Union organizations to form “partisan divisions and diversion groups” and to “pursue and destroy the invaders in a merciless struggle”. In violation of commonly accepted rules of warfare, many of the Partisans do not wear uniforms, nor do they recognize international laws governing warfare.

To grow the ranks of the Red Partisans, and prevent the Germans from winning over the civilian population, Soviet commandoes dress up in German uniforms and carry out “false-flag” atrocities against their own people, inciting hatred against the Germans.

Communist and Jewish Partisans, aided by the OSS (forerunner to CIA), also form in other nations, using the same false-flag tactics, and menacing the safety of German troops unable to tell enemy from civilian.

Massive Jewish participation in non-uniform wearing Partisan groups, including women & children, is the main reason for Hitler’s decision to intern Europe's Jews in work camps as a wartime security precaution.

**1941**

**THE WAFFEN SS**

**EUROPEAN VOLUNTEERS JOIN AN INTERNATIONAL FORCE UNDER GERMAN COMMAND**

Brave men from every nation in Europe, as well as some from Asia, volunteer to fight the Soviets. They are welcomed into Germany’s "Waffen SS" - an elite fighting force sent to the eastern front.
The anti-Communist Waffen SS are motivated by a vision of a greater European family. For the European SS, the Europe of petty jealousies, border disputes, and economic rivalries is petty and demeaning. They fight for Europe itself, not for any one country.

The Waffen SS is a true international army of the European peoples. One million men fight in the SS, of which, 600,000 are non-German! Officers of the Waffen serve in the front lines alongside their men. By war's end, half of the SS commanders will have been killed in action.

During and after the brutal winter of 1941-42, it is the Waffen SS who will stand their ground and delay the massive Soviet counter offensive. By the end of the war, 40% of the Waffen SS will have been killed or gone missing. Were it not for the tenacity and sacrifice of the heroic Waffen volunteers, all of Europe would have been lost to the Bolshevik hordes.

It is not surprising that to this day, the "SS" is still vilified in the Globalist press.

**LINDBERGH ACCUSES**

**FDR AND JEWS OF PLOTTING TO DRAG AMERICA INTO THE WAR**

American patriots such as famed aviator Charles Lindbergh clearly see that FDR is plotting to involve America in the war. Lindbergh is a leading figure in the “America First” movement, or what Globalist propaganda cleverly refers to as “isolationism.”

Lindbergh’s speech in Iowa accurately describes what is happening behind the scenes. He warns: “the leaders of the British and the Jewish races, for reasons which are as understandable from their viewpoint as they are inadvisable from ours, for reasons which are not American, wish to involve us in the war. “

Joseph Kennedy, the US Ambassador to England and founder of the Kennedy Dynasty, also held this opinion.

**OCT - NOV 1941**

**FDR REPEATEDLY AND DELIBERATELY HUMILIATES JAPAN**

In the closing months of 1941, FDR’s provocations of Japan escalate to the level of “acts of war”. FDR imposes a total trade embargo on Japan, denies her ships access to the neutral
Panama Canal, and orders US battleships to undertake "pop up" cruises through Japanese territorial waters.

Finally, on November 26th of '41, FDR sends an impossible ultimatum to Japan, implying a military threat, and demanding that Japan withdraw all of its troops from China and Indochina as a pre-condition for lifting the trade embargo.

The day before the hostile letter was sent; Secretary of War Henry Stimson (CFR) recorded, in his personal diary, the topic of a meeting with FDR as follows:

"The question was how we should maneuver them (Japan) into the position of firing the first shot."

**DEC 7, 1941**

**JAPAN TAKES FDR’S BAIT...**

**ATTACK ON PEARL HARBOR BRINGS AMERICA INTO THE WAR**

Japanese fish to bite. The tasty bait that these two traitors are dangling is the heart of America's Pacific fleet, deliberately left vulnerable at the naval base of Pearl Harbor, in the US territory of Hawaii.

By now, Japan knows that war with America is coming. The Japanese high command, in the hopes of gaining an early advantage, decides to strike as damaging a blow to the US Navy as possible. The US and the UK have each cracked Japan's naval communication codes. FDR and Churchill both have advance knowledge of the impending "surprise attack", but no warning is sent to the Commanders at Pearl Harbor.

The Pearl Harbor attack kills 2402 US sailors, and ignites a firestorm of patriotic anger across America. The "isolationists" are silenced and the America First Committee disbands. FDR will finally have his war.

**DEC 8-11 1941**

**DECLARATIONS OF WAR ARE EXCHANGED**

The day after Pearl Harbor, both Houses of Congress declare war on Japan. Even the "isolationists" cannot resist the war fever caused by what FDR calls "an unprovoked attack".

Germany and Italy then fulfill their Tripartite Treaty obligation to Japan, by announcing that a state of war now exists between the Axis nations and the US (though neither country has any
way nor intention of actually attacking the US mainland) Congress then follows with additional war declarations upon Germany and Italy.

Patriotic American men, oblivious as to how these events were engineered by the New World Order, flock to volunteer for military service.

1942-1945
THE MANHATTAN PROJECT TAKES OFF
BECOMES INFESTED WITH COMMunist SPIES

The Manhattan Project is an effort, led by the US with participation from the UK, which will result in the first atomic bomb. The project grew out of the Einstein-Szilard letter to FDR in 1939. The effort had started out on a small scale later that year, and by war's end will eventually employ 130,000 people at 30 locations.

From the start, there are concerns about the Project's security. Physicist Gregory Breit, an important researcher, quits in 1942 because of concerns over lax security procedures. The Jewish Communist Physicist J. Robert Oppenheimer takes over Breit's research, and is then appointed to head the secret weapons lab at Los Alamos, New Mexico. Under his leadership, Soviet spies and Communist sympathizers infest the Project (Enrico Fermi, Klaus Fuchs etc.).

As Oppenheimer "looks the other way", Red spies pass America's secrets into Stalin's hands. In 1954, Oppenheimer's security clearance will be revoked. But by that time, The Soviets have already stolen the A-bomb.

FEB 19, 1942
FDR ORDERS LOYAL JAPANESE AMERICANS TO BE PLACED IN INTERNMENT CAMPS

FDR's Executive Order 9066 condemns 110,000 Americans of Japanese ancestry to serve the rest of the war years in prison camps. Of those interned, 62% are actual American citizens.

Shortly thereafter, Executive Order 9095 freezes their assets. German-American and Italian-American families are also interned in camps, though in lesser numbers.

Unlike Germany's wartime internment of Jews (who were generally hostile towards Germany), Partisans, thieving gypsies, and other assorted Reds; FDR's internments are of law
abiding, peaceful, and patriotic citizens loyal to America. The internments are as unjustified as they are unnecessary.

**JUNE 4-7 1942**

**US VICTORIOUS OVER JAPANESE IN THE BATTLE OF MIDWAY**

The Battle of Midway is the most important naval battle of the Pacific Ocean campaign. The US Navy, under the command of Admiral Chester W. Nimitz, decisively defeats the Japanese, inflicting irreparable damage upon the Japanese fleet. After Midway, Japan’s Pacific defense perimeter of islands steadily shrinks as Japan cannot replace its lost ships and aircraft as fast as the US can.

Though Midway marks a turning point, the US will sustain many more casualties as the Japanese tenaciously defend their Pacific perimeter for many months to come.

**JULY 1942 - FEB 1943**

**THE BLOODY BATTLE OF STALINGRAD**

The Battle of Stalingrad between the Germans and the Soviets was fought for control of the strategically vital Russian city that Stalin named after himself (today known as Volgograd). It goes down in history as the bloodiest battle ever, with combined deaths of nearly 2 million. The losses suffered by the Germans now make victory in Russia impossible.

After the initial German offensive manages to capture most of the city, the US Lend Lease-equipped Red Army wears the Germans down with bloody house-to-house fighting. The city’s civilian population fiercely resists the Germans as well. Stalin’s commandos had dressed up in German uniforms and committed atrocities against his own people. As intended, this “false flag” terror enflames the civilian population against the Germans.

**NOVEMBER 1942**

**OPERATION TORCH:**
THE ALLIES BATTLE THE GERMANS IN NORTH AFRICA

A full year after US entry into the war, the Germans are finally confronted during Operation Torch, the US-UK invasion of French North Africa (Algeria, Tunisia, Morocco). It is facilitated by French Generals who switched loyalty from the nationalist Marshal Petain’s Vichy France, to the Globalist/Communist side of General Charles de Gaulle (self-exiled in England).

The politically appointed and grossly unqualified General Dwight D. Eisenhower ("Ike") is given command of the Allied force which sails from England. But it is the military genius of General George Patton that ultimately bails out the incompetent and envious Eisenhower. Patton's Army successfully overcomes the German forces, led by General Erwin Rommel (The Desert Fox).

By May of '43, the Germans will have evacuated Northern Africa as they prepare to defend the "soft underbelly of Europe" in southern Italy.

JANUARY 1943

FDR & CHURCHILL ANNOUNCE THAT WAR WILL GO ON UNTIL AXIS SURRENDER WITHOUT CONDITIONS

Unconditional surrender means that the Allies expect the Axis nations to not only stop fighting, but to also hand over complete political control to the invading Allied armies.

In the years to come, this brutal hardline policy of complete conquest will inspire the Japanese and Germans to fight on harder and longer.
**JAN – MAY 1943**

**THE TIDE OF WAR BEGINS TO TURN AGAINST GERMANY**

The opening months of 1943 mark the turning point in the war. The combination of America’s awesome naval, air, and land power, a 3-front war, Jewish and Red Partisan guerilla war, merciless air bombardment of German civilians, and a massive Red Army armed to the teeth by America’s manufacturing power, all combine to take a heavy toll on Germany.

In February, German forces in Stalingrad surrender to the Soviets. In May, the campaign in North Africa ends as German troops evacuate. That same month, Admiral Donitz removes all German U-boats from the Atlantic after 41 subs are sunk in just 3 weeks!

Germany is now limited to playing defense as the US, UK, and USSR slowly tighten the Globalist noose around Hitler’s Reich.

**JULY 1943**

**“OPERATION GOMMORAH”**

**THE FIREBOMBING OF HAMBURG BURNS AND SUFFOCATES 40,000 GERMAN CIVILIANS TO DEATH**

The Firebombing of Hamburg creates a tornado of fire so intense; it actually lifts people off of the streets and into the fire. Those who are not burned to death suffocate in shelters as the fire above sucks up all the oxygen. Hundreds of US and UK aircraft feed the inferno with wave after wave of incendiary bombings. The evil planners of the genocide of Hamburg actually code named the arson attack “Operation Gomorrah”, after the Hebrew Bible story of the cities which God destroyed by fire and brimstone.(Sodom & Gomorrah)

Operation Gomorrah deploys 3,000 aircraft and 9,000 tons of bombs. It kills 40,000 people, with an equal number injured. One million traumatized Germans flee the city in which 250,000 homes were destroyed.
**JULY-AUG 1943**

**ALLIES INVADE SICILY**

**ITALIAN GOVERNMENT COLLAPSES**

The Allied invasion of the southern Italian island of Sicily is another stunning success for Generals Patton and Montgomery (UK). German and Italian resistance is overwhelmed. Within 4 weeks of the initial air and sea assault, Axis troops evacuate to the Italian mainland.

Italian Leader Benito Mussolini is removed from power by his own Grand Council. The new government arrests him and makes peace with the Allies. This leaves Germany with the sole task of halting Patton’s push up the Italian peninsula.

With Italy under Allied control, Hitler worries that the Allies will now invade Yugoslavia and the Balkan nations, cut off Germany’s oil supply, and march north upon Germany from the “soft underbelly of Europe”. In August of 1943, the British Royal Air Force, departing from bases in southern Italy, begins heavy bombing of the Ploesti oil fields of German allied Romania.

**1943**

**GENERALS MARSHALL AND EISENHOWER DELIBERATELY PROLONG THE WAR**

With “the soft underbelly of Europe” now vulnerable, Churchill and British General Montgomery argue for an immediate Allied advance upon Germany from the south of Europe. This was Hitler’s greatest concern.

The oil fields of Romania fuel the German military. An Allied advance on the Balkans through Yugoslavia and Greece would be disastrous for Germany. From Italy and the Balkans, the Allies can then launch a final push upon Germany itself from the southeast.

Inexplicably, Allied Commander Eisenhower and Army Chief of Staff George Marshall (who had promoted Eisenhower over scores of senior officers) insist upon making preparations for an invasion of heavily fortified Northern France the following year.

This “blunder” prolongs the war, buys the Soviets much needed time to march westward, and eventually enables Stalin to steal Eastern Europe.
MAY 1944

4000 ITALIAN WOMEN ARE GANG-RAped BY ALLIED AFRICANS AT MONTE CASSINO

In May ‘44, the Allies finally succeed in taking Monte Cassino (in Central Italy) from German control, after bombing the town’s 6th century abbey into ruins. The Allies have French-Moroccan troops fighting for them. The Moroccans are allowed to run wild. They slit the throats of prisoners, loot homes, and rape every Italian woman they can get their hands on. The Moroccans even rape local boys and a Catholic Priest!

Two Italian sisters, ages 16 and 18, are gang raped by more than 200 Moroccans. One dies from the abuse, and the other will spend the rest of her life in a mental hospital. An estimated 3000 women aged 11-86 are raped, some so violently that 100 of them die. About 800 village men who try to protect them are also killed. The Moroccans will not be punished by their Allied French Commanders. They will later rape and kill again when they occupy western Germany.

JUNE 6, 1944

D-DAY

ALLIED INVASION AT NORMANDY ESTABLISHES A FOOTHOLD IN EUROPE

Allied armies, based in England, successfully cross the English Channel. The cost is high as nearly 10,000 men are killed storming the fortified beaches of Normandy. But the invasion establishes an initial beachhead of 100,000 troops. From this base in northern France, the Allies will be reinforced for the push towards Germany.

At the same time, the Soviet Red Army, armed to the teeth with state-of-the-art American weaponry, advances upon Germany from the east. With Italy also under allied occupation, Germany has three fronts to defend (West, South, and East) as its cities, railways, dams, factories and civilian population endure relentless bombardment and Partisan sabotage.

In order to give Stalin more time to conquer Eastern Europe, Generals Eisenhower and Marshall repeatedly delay the advance of General Patton’s unstoppable 3rd army, going so far as to cut off shipments of gasoline to Patton's army!
JULY 1944

RED ARMY ROLLS INTO POLAND AGAIN

GERMANS RETREATING

With their arsenal supplemented by America’s finest tanks, Tommy-Guns, planes, trucks, jeeps, and even food and blankets, the Red Army advances on Germany from the east. Stalin’s plot to take all of Eastern Europe has been helped greatly by Ike’s and Marshall’s curious obsession with invading Europe from England, instead of simply advancing from Europe’s “soft underbelly”.

Stalin wants to crush Berlin. By July ’44, the murdering and raping Reds have rolled into Poland, threatening Germany’s eastern flank. Frightened German civilians begin fleeing westward by land and via the Baltic Sea.

JULY 1944

BRETTON WOODS CONFERENCE ESTABLISHES THE WORLD BANK AND THE I.M.F.

The chaos and crisis of World War II gives Globalism an opportunity to reshape the world’s monetary system into a “global economy”. At the Bretton Woods Conference in New Hampshire, 730 delegates from 44 nations set up new rules for commercial and financial relations.

Representing the US is Harry Dexter White. White (originally Weiss) is the son of Jewish immigrants from the Russian Empire. Years after Bretton Woods, Dexter-White is revealed to be a Soviet spy.

The top British delegate is the legendary Fabian Socialist (secret Communist) abusive homosexual pedophile, John Maynard Keynes. Keynes suggests the creation of a World Currency, to be issued by a Global Central Bank.

But the world is not ready for such a radical step towards The New World Order. Instead of a global currency, each nation will link its currency to the US Dollar. The International Monetary Fund (IMF) and the World Bank are conceived at Bretton Woods.

1944-1945
**TYPHUS EPIDEMICS DEVASTATE GERMAN INTERNMENT CAMPS**

Typhus is spread by head lice, and has historically been linked to war and crowded conditions. During and after the World War I, as many as 5 million Poles and Russians had died of the deadly disease.

To stop the spread of typhus in the internment camps, the Germans shave the heads of the prisoners and/or delouse them in “gas chambers”. With the situation in Germany deteriorating fast, deadly typhus epidemics break out in Germany’s internment camps. The Allied bombardment of railroads and medicine factories contributes greatly to this medical crisis.

Despite Germany’s well-documented efforts to stop the typhus epidemic, deaths in the concentration camps continue to mount throughout ’44 & ’45.

**AUGUST 1944**

**THE VICHY GOVERNMENT OF FRANCE FALLS**

**VENGEFUL GENERAL DE GAULLE RETURNS AND EXECUTES 40,000 FRENCHMEN**

After the collapse of the Vichy French regime, General Charles de Gaulle returns from his English exile. The Globalist and Communist French then impose a new Reign of Terror. Cruel punishment is meted out against those labeled as “Nazi collaborators”, whose only crime was in making peace with Germany, or to have fought against the Soviets on the eastern front as foreign members of the German SS units.

The de Gaullists will murder as many as 40,000, and imprison 100,000 of their countrymen. French women who dated German soldiers during the occupation are humiliated by having their heads shaved bald.

Marshal Petain escapes to Germany. After the war, he will be sentenced to death for “treason”, but due to his age (88) and hero status from WW1, de Gaulle has no choice but to reduce Petain’s sentence to life in prison.

SOVIET SUB SINKS THE WILHELM GUSTLOFF

10,000 GERMAN REFUGEES KILLED AT SEA!

As the raping and murdering Soviets push eastward, millions of terrified German refugees flee west by land and sea. The luxury liner MV Wilhelm Gustloff is packed shoulder-to-shoulder with an estimated 10,000 -12,000 people - 10 times as many as the Titanic!

Soon after leaving port, the doomed ship is sighted by Soviet Submarine commander Alexander Marinesko. After tracking his human prey for several hours the Soviet killer fires three torpedoes into the ship’s port side. In the panic that follows, many passengers are trampled to death as they flee to the decks.

The Wilhelm Gustloff sinks in just 45 minutes. German ships arrive quickly and pluck about 1000 survivors from the frigid Baltic Sea. The freezing water claims the lives of all the rest.

FEB 4-11 1945

FDR & CHURCHILL GROVEL BEFORE STALIN AT THE YALTA CONFERENCE

The most historic of the “Big 3” conferences is held in the Black Sea resort of Yalta. At the Yalta Conference, FDR & Churchill make easy concessions to “Uncle Joe”.

With Red spies Alger Hiss (CFR) and Harry Hopkins (CFR) influencing the dying Roosevelt (who dies in April ’45), it is decided that after Germany’s defeat:

- The Soviets will occupy Eastern Europe until free elections can be held.
- The Soviets will join the war against Japan and will be supplied with US arms for the effort.
- After Japan is defeated, the Soviets will occupy northern Korea (without Korea’s approval!), and Manchuria in China (without China’s approval!)
- Millions of Russian POWs captured by the Germans, as well as Russian refugees fleeing Stalin, will be forcefully returned to Stalin.

Germany will be split in half as will Berlin.

ASH WEDNESDAY-HOLOCAUST!

US & UK FIREBOMB THE CITY OF DRESDEN

200,000 – 300,000 CIVILIANS BURNED ALIVE OR SUFFOCATED!

By February of 1945, the outcome of the war in Europe is already determined. Germany is finished and will formerly surrender within 3 months. The murderous firebombing of the beautiful city of Dresden is as cruel as it is unnecessary. In an apparent effort to mock Catholic Germans, the Zio-Globalists chose the day of "Ash Wednesday" to turn Dresden into ashes!

Wave after wave of mainly UK, but also US, air sorties drop incendiary bombs for two days. Thousands of fires merge into one huge firestorm, sucking oxygen to feed itself as countless numbers of German elderly, women, and children suffocate or burn alive.

The fire is so massive that pilots report that their cockpits are actually illuminated by the great light. Because so many refugees fleeing eastward have swelled Dresden’s population, it is difficult to say how many are killed by the Churchill/FDR “Holocaust”. Credible estimates vary between 200,000-300,000 dead, with some claims that the total may have been as many as 400,000 killed.

MARCH 10 1945

U.S. FIREBOMBS TOKYO

100,000 CIVILIANS KILLED

Though it will later be overshadowed by the subsequent atomic bombs dropped on Hiroshima and Nagasaki, the firebombing of Tokyo is just as deadly in its initial death toll. The terror bombing involves the same incendiary type explosives dropped on Dresden one month earlier, and yields similar horrific results.

The charred bodies of 100,000 dead Japanese litter the streets, and 250,000 buildings and homes are destroyed. One million more are injured, and one million more are left homeless.

FDR DIES IN OFFICE...

HARRY TRUMAN BECOMES PRESIDENT

The polio-stricken FDR will not live to see the end of the bloody war that he helped unleash upon the world. FDR intends to take a few weeks rest before his anticipated appearance at the founding conference of the United Nations in San Francisco.

On the afternoon of April 12, Roosevelt says, "I have a terrific pain in the back of my head." He slumps forward in his chair, unconscious, and is carried into his bedroom. Like Wilson in 1919, FDR has had a massive stroke and dies soon afterwards.

FDR's lasting legacy for America is the class warfare induced welfare state, and the brutal foreign warfare state, that are still bankrupting the United States and killing innocents.

Naturally, after his death The New York Times declares, "Men will thank God on their knees a hundred years from now that Franklin D. Roosevelt was in the White House".

Harry Truman becomes President. He is a corrupt, dim-witted political hack and failed businessman. FDR's advisors will continue to run the show, while the ill-tempered little man from Missouri delivers the speeches. Nothing will change.

APRIL 15 1945

EISENHOWER ORDERS PATTON’S ARMY TO HALT

BERLIN IS PRESERVED FOR STALIN!

British General Bernard Montgomery argues that there is now nothing to stop the Allies from sweeping into Berlin, thus taking the German capital before the advancing Soviet army can get there. Eisenhower however has other ideas. As he had done time and time again, "Ike" would find a way to delay the Allied advance so as to buy time for Stalin to advance from the east.

. 

On March 28, '45, Ike sends a message to Stalin, assuring him that the US/UK advance will focus on western Germany. On April 15, Ike issues a halt order forbidding Allied commanders from crossing the Elbe River. Generals Montgomery and Patton are deeply upset over this sudden order to halt the Allied advance, thus condemning Berlin, and all of Eastern Europe, to Soviet barbarism.
APRIL 16, 1945

SOVIET SUBMARINE SINKS THE GOYA

7,000 MORE GERMANS KILLED AT SEA

The Goya is a German transport ship carrying 7000 wounded soldiers and terrified refugees westward. The Red Terror will follow these poor souls to sea. Soviet Captain Vladimir Konovalov spots the Goya and orders it to be blasted by torpedoes. The Goya sinks very quickly, plunging its passengers into the icy Baltic Sea. Less than 200 will survive. The final death toll is about the equivalent of 7 Titanic’s!

For this murderous war crime, Captain Konovalov is awarded the Soviet Union’s highest military decoration, Hero of the Soviet Union.

APRIL 28 1945

ITALIAN COMMUNIST PARTISANS EXECUTE MUSSOLINI

HIS BODY IS HUNG UPSIDE DOWN

With total defeat looming in Europe, Mussolini attempts to escape to neutral Switzerland. He is captured and summarily executed near Lake Como by Italian Partisans (Communists).

Mussolini’s 1922 takeover of Italy (The March on Rome) had likely saved Italy from Communism. There were positive economic and social developments during his rule. But in the end, “il Duce” and his imperialistic ego put Italy and Germany in difficult situations. His reckless adventures made Italy a huge burden for Germany to carry and defend.

Mussolini’s body is then taken to the city of Milan, where it is hung upside down for public viewing and to also to provide confirmation of his death.

HITLER ISSUES FINAL TESTAMENT
**COMMITS SUICIDE WITH HIS NEW WIFE IN HIS BERLIN BUNKER**

With the situation in Berlin hopeless, Hitler marries his longtime mistress Eva Braun. The two then commit suicide, Eva by poison, Hitler by gunshot. Hitler's dog Blondie is poisoned. The staff was ordered to burn the bodies and then escape Berlin before the Soviets capture them.

One day before committing suicide, Hitler dictated his final Political Testament, in which he denies any responsibility for starting the war:

“It is untrue that I or anyone else in Germany wanted war in 1939. It was wanted and provoked solely by international statesmen either of Jewish origin or working for Jewish interests…

Nor have I ever wished that, after the appalling First World War, there would ever be a second against either England or America. Centuries will go by, but from the ruins of our towns and monuments the hatred of those ultimately responsible will always grow anew against the people whom we have to thank for all this: international Jewry and its henchmen.”

**MAY 8 1945**

**V-E DAY**

**VICTORY IN EUROPE IS PROCLAIMED AS GERMANY SURRENDERS WITHOUT CONDITIONS**

Jubilant crowds throughout the UK and the US celebrate Victory in Europe Day upon news that Germany has surrendered unconditionally. Admiral Karl Donitz, named in Hitler’s final testament as the new President of Germany, signs the surrender agreement. He soberly remarks: “With this signature, the German people and armed forces are for better or for worse, delivered into the victor’s hands.” But there is to be no mercy for the German people, which had dared to defy the New World Order, and, for a while, had actually defeated the Globalists!

Germany’s nightmares are about to unfold as a vengeful Globalist-Communist-Zionist Alliance-of-Evil imposes a collective punishment upon Germany that will dwarf the post World War I Versailles Treaty.

10,000,000 Germans died in World War II!

HOURS AFTER GERMANY SURRENDERS, SOVIET REPORT CLAIMS THAT GERMANS USED “GAS CHAMBERS” AT AUSCHWITZ LABOR CAMP

ZIONIST OWNED NY TIMES RUNS THE STORY

The story tells of mass killing and “gassings” at the Auschwitz prison camp in Poland. The timing of the report’s release – just hours after of Germany’s surrender – makes it impossible for the accused Germans to refute Stalin’s claim. It is a little known fact of history that the Auschwitz “gas chamber” story originated with a Soviet report (authorized by the liar and murderer Joe Stalin) which was then spread by the "prestigious" NY Times.

Noted American and European scholars who have since dared to explore the many inconsistencies and contradictions of “The Holocaust” story have been subjected to harassment, career destruction and (in Europe & Canada) imprisonment. The Holocaust is one story that the Globalists and Zionists will NEVER allow to even be debated!

Adolf Hitler nearly smashed the New World Order.

It is for this reason that Hitler must forever be portrayed in the public eye as the worst monster who ever lived.

JUNE 26 1945

THE FOUNDING CHARTER FOR THE SOCIALIST UNITED NATIONS IS SIGNED IN SAN FRANCISCO

At the founding San Francisco Conference that established the United Nations, the American official serving as Secretary General of the conference is the Communist Alger Hiss. Hiss will be exposed as a Soviet spy in 1948. The UN replaces the League of Nations as the foundation of The New World Order. All 51 nations signing the original charter agree to be bound by its articles.

The all-out propaganda campaign surrounding the UN’s establishment is pervasive and intense. It is argued that “isolationist” America’s refusal to join the League of Nations after World War I was the tragic mistake that led to World War II. That mistake "must not be repeated".
Within 30 days, the US Senate will approve the UN treaty by a vote of 89-2! Even the conservative legend, Senator Robert Taft (son of William Taft) voted in favor of US entry! The embryonic World Government will be headquartered in New York, on 18 acres of prime real estate donated by the Rockefeller Family.

**AUGUST 6 & AUGUST 10 1945**

**HORROR IN JAPAN**

**ATOMIC BOMBS DROPPED ON HOROSHIMA AND NAGASAKI**

Like FDR (who had died in April '45), President Harry Truman also has no regard for human life. By August '45, Japan is trying hard to negotiate surrender; just not unconditionally as Truman demands. Atomic bombs are dropped on the women, elderly, and children of.

Within the first few months of the bombings, the effects kill 100-150,000 people in Hiroshima and 60–80,000 in Nagasaki. Half of the deaths occur on the first day, mostly from burns. Many more die of cancer later on.

Two days after Hiroshima, (Aug 8) and two days before Nagasaki, Stalin “lives up to” his Yalta promise and declares war on Japan. For this non-contribution, Stalin is given control of Manchuria (in China) and the northern part of Korea. The Soviets accept the surrender of 180,000 Japanese troops at Manchuria, and will turn their captured arms over to Mao’s Communist rebels in China.

**JAPAN SURRENDERS WITHOUT CONDITIONS**

Facing what Truman calls “a Reign of Ruin”, Japan, like Germany before her, has to make a choice between unrestrained civilian genocide at Allied hands, or unconditional surrender and occupation.

Japan surrenders on August 15, ’45. (V-J Day) It should be noted that General Macarthur felt that the atomic bombing was unnecessary, Macarthur later states:

"My staff was unanimous in believing that Japan was on the point of collapse and surrender.” But for the Globalists, the atomic bombings serve a strategic purpose. The threat of “nuclear war” will, in the coming years, do much to frighten, and then consolidate, the nations of
the world into political, economic, and military alliances. The Global fear of "the Bomb" is good for The New World Order!

**August 1945:** While millions of innocent people are already being raped and murdered by the Red Army, Ike flies off to Moscow to party with "Uncle Joe"!

"The striking aspect of the visit was the lavish reception the Russians gave the commander of a foreign nation’s army. Georgi Zhukov, General Eisenhower’s Soviet counterpart in Berlin, met us at Tempelhof Airport for the flight to Moscow in Ike’s C-54 four-engine aircraft. Zhukov, as the official host, was the soul of hospitality and congeniality. By this time the two commanders...had become friends, as close of friends as public life permits.

In Moscow the party first attended a parade. Significantly, my father was invited to undergo a four-hour ordeal atop Vladimir Lenin’s tomb with Zhukov and Stalin. He was, I later learned, the first foreigner ever accorded that honor. One evening, the entire party was entertained at dinner, with Stalin himself officiating."
