ZOG means Zionist Occupied Government – the United States.

Zionist: Someone who will sacrifice any person, anything, or any nation for the greater good of ISRAEL.
Occupation: Possession by FORCE, rather than by voluntary acceptance.
Government: CONTROL of a population.

ZOG refers to a situation in which people with supreme allegiance to Israel, rather than to America, have seized power in the United States, and now RULE us.

A fascinating, satirical, well-written book on the TRUTH of what is happening in America.

Foundations: Their Power and Influence
By Rene A. Wormser
The Devin-Adair Company, New York
Covenant House Books
PO Box 4690
Sevierville, TN 37864

This is a searching analysis of some of America's most powerful tax-exempt foundations (including the Rockefeller, Ford, Carnegie Foundations, etc.) their actions as opposed to their stated purposes, the interlocking groups of men who run them, and their covert purpose of destroying the Christian culture of America and the planned dumbing down of the students and the general population of America.

The author, as counsel to the Reece Committee, a Congressional Committee that investigated these Foundations, gained a unique insight into the inner works of the various Rockefeller, Carnegie and Ford-created giants and their evil purposes. The power of the individual foundation giant is enormous and there is virtually no counterforce to oppose them.

The Empire of “The City” – the Jekyll/Hyde Nature of the British Government

The entire World is ruled by the Jewish Rothschilds from a one square mile area located in the financial district of the loosely knit aggregation of boroughs and cities popularly known as the city of London. The colossal political and financial organization centered in this area, known as “The City,” operates as a super-government of the world; and no incident occurs in any part of the world without its participation in some form.

The Judas Goats- The Enemy Within
By Michael Collins Piper
American Free Press
Washington, D.C.
Americanfreepress.net

The shocking never-before-told story of the infiltration and subversion of the American nationalist movement by the American and Internationalist Jews. Piper’s message is loud and clear: Real Americans do not support the Zionist scheme to exploit America’s military might to conquer the globe. Piper identifies and savages those who manifest attitudes of open hatred for nationalism and freedom. There are few who speak truth with such as power, as Piper does so well. Rabbi Abraham Cooper of the Simon Wiesenthal Center has said that, because Piper criticizes Israel, he is “anti-American.” In fact, Piper’s work proves precisely how pro-American he is.

Warmonger Roosevelt: The Secret Polish Documents
CD by Mark Weber
www.ihr.org

An informed, lucid presentation and analysis of the suppressed dispatches by Polish diplomats in Washington, London and Paris in 1938-1940, which confirm US President Roosevelt’s deceitful role in fomenting war in Europe—particularly World War II. These revealing documents, which the US government once mendaciously denounced as fraudulent, but now have been shown to be true, also confirm the crucial role of Jewish power and influence on US foreign policy during these years, and force a fundamental reassessment of the standard view of the origins of World War II.

Did you know that: 1) To be a Mason, you must first take an oath that is in reality a denial of Jesus Christ, 2) the father of Modern Masonry said, “Lucifer is God!”

Get the hidden facts from someone who learned what lower level Masons never hear. . . that utter darkness lies behind the light of Masonry.

Masonic Lodge Over Jerusalem – DVD
Thunder Over Zion – DVD
Cauldron of Abaddon – DVD
By Texe Marrs

1-800-234-9673

The goal of the Jewish Masonic elite is to establish dictatorial Illuministic Communism and to enslave all of mankind under the thumb of a Jewish master race led by a world messiah who is to rule from Jerusalem.

One of the unheralded and least known facts about Freemasonry and the Masonic Lodge is its Jewish origins and nature. The religion of Judaism, based on the Babylonian Talmud, and the Jewish Cabala (or Kabala), an alchemical system of magic and deviltry, form the basis for the Scottish Rite’s 33 ritual degree ceremonies.

Thus, the Jewish Tribune of New York, on October 28, 1927, stated: “Masonry is based on Judaism. Eliminate the teachings of Judaism from the Masonic Ritual and what is left?”

The well known rabbi, Isaac Wise, was emphatic when he concluded: “Freemasonry is a Jewish establishment, whose history, grades, official appointments, passwords, and explanations are Jewish from beginning to end.”

Christian Zionism

Billy Graham and His Friends
A Hidden Agenda
By Dr. Cathy Burns

212 E. 7th St. (#B)
Mt. Carmel, PA 17851

In this most fascinating and extremely well-documented book, you will discover some little known facts about one of the best known men of the 20th century – Billy Graham – as well as several of his influential and powerful friends. Bill Graham is not the person that the world, and the Christian Church believes he is – and quite shockingly so. His enormous name recognition and his impressive crowds have been orchestrated by the media barons and the New World Order. “Puff’ Graham,” was the cynical directive by one major U.S. newspaper editor/publisher member of the elitists, an order that started Graham on his way to “stardom” in the “Christian” world.

Seduced!
How a Secret World Influence has Beguiled the American People via Our Media, Culture, Politics, Military and Religious Thinking.
By Gordon Ginn, Ph.D.
Emissary Publications
PMB 1776, 9205 SE Clackamas Rd.
Clackamas, OR 97015

The word “Seduced” means “to beguile or draw into a wrong or foolish course of action.” In the case of this book, it is applied especially to Christians who have been persuaded to support modern “Israel” because they believe that God has reinstated her after she was destroyed by the Romans in A.D. 70. They think that her reinstatement in 1948 was a fulfillment of prophecy in the good sense; that she will preach the Gospel to the world after the Church has been raptured.

The author of this book was once an avid supporter of this belief which has been popularly called “dispensationalism.” However, he was turned around in 1972-1974 and nearly lost his Christian faith in the process. Thankfully, God did not allow that to happen and his faith is stronger than ever. The present work is a thorough presentation of Biblical and historical truth, a record of a nation within other nations that, through the centuries, has built an incredible secret power to control the world and is now in the final stages of doing just that.
Does a conspiracy exist to control the world? If there is a conspiracy, how far along are its plans? Why would anyone want to control the world? This small booklet exposes the delusion of “Christian” Zionism, the idea that the Jews are God’s “Chosen People” and the origins of this false doctrine, and the many-centuries old plan of the Jews to Rule the World and destroy TRUE Christianity.

This booklet proves beyond doubt that Salvation is NOT “of the Jews” but of Jesus, who was NOT a “Jew.” The King James translation, and many other Bible translations, have interpreted John 4:22 according to their own preconceived theological beliefs. This analysis of this issue is brilliant and according to the original Scriptures.

Jesus - - A Jew?
Gordon Ginn, Ph.D.
Search on the Internet.
May be out of print

Is Jesus a Jew? Was He ever a Jew? Many Christians believe in the hypothesis that Jews are God’s chosen people and will reign with their Messiah on earth for a thousand years after Christians have been secretly raptured. This idea has its roots in the ancient Jewish expectation of a Messiah who would come to exalt them and reign with them. This anticipation was shattered when Jesus turned out to be a man of peace, love and justice. He also saved non-Jews who believed in Him. This so infuriated the Jews that their leaders called for the execution of Jesus Christ.

Holocaust is a Hoax

An Introduction to Holocaust Revisionism (Audio CD)
By Mark Weber
Available at www.ihr.org

Do you find it hard to believe that anyone could possibly question the supposed “fact” that Hitler tried to destroy all of Europe’s Jews during World War II? Here is an easy-to-understand introduction to the “other side” of the most emotion-charged issue of our time. Lucid, coherent and packed with facts, this lecture is ideal for both the confirmed believer and curious skeptic. After listening to it, you’ll understand why skepticism of the “official,” orthodox Holocaust story is so durable and widespread. This CD gives absolute documentation that Hitler had NO intention of exterminating the Jews.

Context and Perspective in the “Holocaust” Controversy (Audio Cassette)
By Arthur Butz
Available at www.ihr.org

In this very informative and closely reasoned lecture, a brilliant Northwestern University professor (and author of The Hoax of the Twentieth Century) explains how and why, during World War II, the Allied governments, the International Committee of the Red Cross, and Jewish organizations acted in a way diametrically opposed to the wartime propaganda stories of mass extermination of Jews. Obviously, their factual observations on the front line revealed to them that the “horror stories” were just that – stories – and NOT facts. They were nothing more than the usual wartime propaganda.

Dr. Fredrick Toben Speaks: Anti-German Propaganda Exposed! (DVD)

Why is the Australian Council of Jewry working feverishly to have Dr. Fredrick Toben, Director of the Adelaide Institute in Australia imprisoned for his thoughts? In this documentary, showcasing one of Dr. Toben's many speeches, you’ll discover why this well-spoken scholar is feared by many of the Jewish Holocaust propagandists around the world. This particular speech was delivered in Australia, as part of the Adelaide Institute’s campaign to educate Australian citizens about the vicious anti-German lies touted by Holocaust propagandists, shortly before the Australian Council of Jewry (ACJ) sought to suppress Toben’s Free Speech.

Dr. Fredrick Toben, Director of the Adelaide Institute in Adelaide, Australia reveals why have some people (described hereafter as the “Thought Police”) incessantly attacked revisionists of all different backgrounds (from Gentiles, to Jews, to Christians, to Muslims, to freethinkers, to whites, to Arabs, etc.) in some of the most horrible ways imaginable? Why is an investigation of historical events, caused the investigators to be beaten, imprisoned, and some even killed? What are the Jews trying to hide?

The Hoax of the Twentieth Century
By Arthur Butz
Theses & Dissertations Press
PO Box 257768
Chicago, IL 60625

First published in 1976, this slightly revised and enhanced edition of The Holocaust of the Twentieth Century is the seminal work of “Holocaust” revisionism and still the most widely read on the subject.

Author, Dr. Butz, gives the reader a graduate course on the subject of the Jews of World War Two Europe – concluding not only that they were not virtually wiped out, but what’s more, that no evidence exists to date to confirm that there was ever any Hitler attempt to do so.

Chapter by solidly referenced chapter, Dr. Butz applies the scientist's rigorous clinical technique to every cornerstone of the legend. He focuses on the post-war crimes trials where the prosecution’s false “evidence” was secured by coercion and even torture. He re-examines the very German records so long misrepresented; he critiques the European demographics, which do not allow for the loss of the “Six Million”; he re-evaluates the concept and technical feasibility of the “gas chambers” with some startling conclusions; and he separates the cold facts from the sheer tonnage of disinformation that has served as formidable barrier to the truth since the end of WWII.

This is the book that has caused unprecedented shockwaves throughout the academic and political world. Its open sale has been banned in an increasing number of countries including Germany and Canada. It is a book violently denounced by those unable to refute it thesis – the most hysterical reactions to it coming from those whose own historical views cannot withstand the light of honest review.

Germar Rudolf, a German chemist, proves with undeniable documentation, that there were no homicidal gas chambers run by the Germans during World War II.

This book gives extensive scientific evidence, from numerous reliable sources, that the "Holocaust" was, indeed, a hoax. In fact, his book is so credible and his sources so impeccable, that the Jews have imprisoned him for telling the truth. He has become so dangerous to their gigantic LIE, that they must silence his pen and penalize his thoughts.

The David Cole-F. Piper Auschwitz DVD, by the Institute for Historical Review
P.O. Box 2739, Newport Beach, CA 92659
www.ihr.org

Filmed on location at the Auschwitz camp site in Poland, this stunning DVD by Jewish-American investigator David Cole shows that the "gas chamber" that has been displayed to hundreds of thousands of tourists is actually a propaganda prop. Alicia, an official tour guide at Auschwitz, assures David Cole, on camera, that the "gas chamber" in the main camp that is shown to visitors is in its original, unaltered state. Then Dr. Franciszek Piper, head curator of the Auschwitz State Museum, acknowledges to Cole that this "gas chamber" is actually a postwar creation, and is not original. It was built AFTER the war was over. This DVD also tackles other Holocaust claims, including the "human soap" fable.

At the end of World War II, the Jewish leaders sought revenge for the supposed “Holocaust.” They set up 1,255 concentration camps for German civilians – German men, women, children and babies. There they beat, whipped, tortured and murdered innocent Germans, even though there is NO evidence that even ONE Jew was gassed in ANY concentration camp run by the Germans during World War II.

**The Rudolf Report**

Translated by Carlos Porter, Michael Humphrey, James Damon, and the author.
Theses & Dissertations Press, Imprint of Castle Hill Publishers
Chicago, Illinois, March 2003

Expert report on chemical and technical aspects of the “Gas Chambers” of Auschwitz. This highly sophisticated analysis proves beyond a shadow of a doubt that there were NO gassings of ANYONE in Auschwitz or ANY OTHER Concentration Camp in Europe during World War II.

The author, Germar Rudolf, is now in prison in Germany, for EXPOSING the LIES of the supposed “holocaust.” The Jews are SO afraid of the TRUTH that is being exposed to prove the supposed extermination of the Jews is a LIE, that they have passed laws to eliminate ALL free speech, or free thinking, about the “holocaust.” If you even QUESTION the Jewish version, you are put in prison. THAT is exactly what has happened to Germar Rudolf and Ernst Zundel, both of whom have published the TRUTH.

In 1988, Fred Leuchter, a highly respected engineer and America’s foremost authority on gas chamber technology, was hired by Ernst Zundel, a German-Canadian publisher, to conduct a thorough forensic investigation of the alleged
wartime gassing facilities in Poland, including the famous Auschwitz Concentration Camp. Zundel was on trial in Canada for questioning the popularly accepted view of the supposed “Holocaust.” In many countries, including Canada, Australia, Germany and France, it is against the law to question the official version of the “Holocaust.” Heavy fines and/or imprisonment are the penalties for searching after Truth!

The Luftl Report: An Austrian Engineer’s Report on the “Gas Chambers” of Auschwitz and Mauthausen

In March 1992, a prominent Austrian engineer made headlines when a report he had written about alleged German wartime gas chambers was made public. Luftl, 59, is a court-recognized expert engineer and heads a large engineering firm in Vienna, Austria.

In his controversial report, “Holocaust: Belief and Facts,” Luftl reveals that the well-known stories of mass extermination of Jews in gas chambers at the wartime camps of Auschwitz and Mauthausen are impossible for technical reasons and because they are incompatible with observable laws of nature.

Their Impact and Consequences on Freedom of Speech in Canada

It was almost forty years ago that Canada enacted its first law against supposed “hate propaganda” after sustained and intense lobbying by the Canadian Jewish Congress. Incredibly, no one ever challenged these laws in a court proceeding by actually presenting evidence of the effects of these laws on the freedom of speech of Canadians, and the effect on the democratic process, UNTIL the trial of Ernst Zundel. Zundel was on trial for disagreeing with the “accepted” view of the supposed “Holocaust” during World War II.

The outcome of this case proves beyond all doubt that the “hate laws” were put in place ONLY to protect the causes of the Zionist Jews and to cover up the massive deception related to the supposed “Holocaust.” This book gives the important excerpts from that trial.

Possibly the biggest Hoax ever perpetrated on the population of the world, second only to the supposed “Holocaust” itself, is the Diary of Anne Frank.

Robert Faurisson, a French literature Professor at the University of Lyon in central France, and an eminent “Holocaust” historian, proves that almost all of the “diary” was written by Anne Frank’s father, Otto Frank. Documentation to support this truth includes the fact, among many others, that the manuscript was written with a ball point pen, the invention of which occurred after the war. Ann Frank died of typhus in March, 1945, before the end of World War II.

Possibly the one book that is read by more students that any other in America, is the Diary of Ann Frank – a total HOAX!

An unbiased Eyewitness Report on the Real Life in a Concentration Camp. There were NO Gas Chambers.

Thies Christopherson was the first German to publish a major work proving that the holocaust story was a cold-war era Soviet (Jewish) disinformation hoax created after they occupied the Auschwitz industrial complex in Poland. Published in 1973, it sent shock-waves through the ranks of the holocaust hucksters. Christopherson was born on Jan. 27, 1918. As a lieutenant in the German Army, he was severely wounded in the Battle of France in 1940. Later, as an agricultural expert, he devoted himself to experimental farming. He spent the entire year of 1944 working at Auschwitz on the development of synthetic rubber. This was during the period alleged to be the height of the holocaust. He would later state: “After the war, I heard talk of the massive massacres of Jewish prisoners. I was profoundly stupefied to hear these allegations.”

The Giant With Feet of Clay
By Jurgen Graf
Available through www.amazon.com

Possibly the most “revered” author on the orthodox (Jewish) view of the Holocaust is Raul Hilberg who wrote, The Destruction of the European Jews. Author Jurgen Graf in this work, The Giant with Feet of Clay, gives an excellent critique of Hilberg’s work. If the reader will take the effort to examine the sources that Hilberg and Graf use, he will derive, first, a reliable presentation of how the “Holocaust’ allegedly transpired and, second, a perhaps shocking revelation of the shoddy evidence that the legend is base on and, third, a specific important application of a good part of the revisionist scholarship of the past quarter century showing the truth about the “Holocaust” Hoax. The reader will then understand the basis for the title chosen for this book.

Jews Declared War Against Germany
Judea Declares War on Germany: A Critical Look at WWII (DVD)
By Fredrick Toben
Available at www.honestmediatoday.com

This movie is a fair and balanced look at how the Jews declared war on Germany in early 1933 (long before any German retaliation began) in an effort to crush Germany. Germans responded to this by imprisoning many of these “traitors” to their country, similar to what America did to the Japanese (for NO cause) during World War II. However, despite propaganda conceived by Jewish supremacists in the form of Holocaust movies made weekly (still, even 60 years after the war’s end), many Americans still believe the propaganda regarding the events surrounding WWII despite well-documented arguments to the contrary.

Adolf Hitler
Hitler: Madman or Genius?
How Hitler Consolidated Power In Germany and Launched A Social Revolution
By Leon Degrelle
The author, Leon Degrelle, was born in Belgium and became a journalist. In the wake of Germany's 1941 attack against the Soviet Union, an attempt by Hitler to save the Germans living in the Ukraine from the slaughter of these farmers by the Jewish Bolshevik, Stalin, Degrelle joined what he regarded as a pan-European crusade to crush Communism. He was a much-decorated soldier, known for his bravery, and as a result he became the first non-German to be awarded the coveted Oak Leaves to the Knight's Cross. Personally decorated by Hitler, he came to know Hitler and his policies. His truthful account of the facts of World War II in Germany completely contradicts the mass propaganda from the Jews that has swamped the world since World War II. You will find out what Hitler was really like.

The Jew Haters Who Wrote the Talmud (CD)
By Michael Hoffman
Available at www.revisionisthistory.org

Yes, you read the headline right! Michael A. Hoffman II begins with a scholarly investigation of one of the most arcane and destructive commands in the Talmudic rule book, the laws on menstruation. He makes two major points. First, that the Talmudic rules are so oppressive they constitute a curse on Jewish persons—hence only a “Jew hater” could have written them. Second, he gradually leads his audience to an understanding that the Talmudic laws on menstruation (contained in a book as large as the Bible) are so trivial, tyrannical and ludicrous that the appropriate response to them is laughter. It proves that the Talmud is nothing more than a diabolic CONTROL mechanism for every thought and every act, in the day of the rank and file Jew.

The author, Israel Shahak, a Jew and an academic – Professor of Chemistry – is deplored by Israel's authorities because he exposes the racism and discrimination prevalent among Jews, and directed against non-Jews, both in the state of Israel and among Jews in other countries. The Talmud, the holiest book of Orthodox Judaism, and the book that also defines Jewish secular culture, is revealed to be a book of hatred against Gentiles, Jesus, and the Christian religion.

The author shows that Israel is a nation of haters, with an arrogance that demeans every non-Jew as nothing more than a wild beast. He also reveals that Judaism is NOT a "biblical religion," that its holiest book is the Talmud, a book that disparages everything in the Bible

They Were White and They Were Slaves
The Untold History of the Enslavement of Whites in Early America
By Michael A. Hoffman II
www.revisionisthistory.org

This is a history of White people that has never been told in any coherent form, largely because most modern historians have, for reasons of politics and psychology, refused to recognize any White slaves in America as just that.

Today, not a tear is shed for the "sufferings of millions of our own enslaved forefathers. 200 years of White slavery in America have been almost completely obliterated from the collective memory of the American people. And the identity of the white slave owners and traders, will amaze you!

A Capsular History of a Conspiracy to Destroy Christianity

A Capsular History of a Conspiracy to Destroy Christianit
(Of Special Interest to Dispensationalists)

This is a brief account of the open secret of the history of a conspiracy by the Jews to infiltrate and take over Christianity – under the guise of dispensationalism. The author, a former believer in dispensationalism, shows that this false doctrine is just as dangerous to the Christian church as is the theory of evolution.

The author also divulges that most, if not all, of the found members of the Jesuit order of the Catholic church (the Society of Jesus), were Jewish – according to the Prime Minister of England, Benjamin Disraeli – himself a Jew! Disraeli also said that most of the revolutionaries in Europe were Jewish, including those who were responsible for the French Revolution, the attempted revolution led by Bela Kun in Hungary, and the Jewish Bolshevик Revolution in Russia which headed a reign of terror unsurpassed in history. The Jews slaughtered more than TWICE as many Christians in Russia from 1917 into the 1930's as they accuse the Nazis of doing to Jews in World War II in the 1940's. Millions of the Christians, purposely starved to death by the Jewish Bolsheviks, were farmers living in the Ukraine and most of them were of German descent.
Judaism's Strange Gods
By Michael A Hoffman II

In this scholarly work, the author documents that Judaism is not the religion of the Old Testament, but the newly formalized belief system of the Pharisees, which arose in Babylon with the commitment of the formerly oral "tradition of the elders" to writing, in the wake of the crucifixion of Jesus and the destruction of the Temple.

Basing his findings on authoritative Jewish sources, Hoffman demonstrates that Judaism is a man-made religion of tradition and superstition, that represents the institutionalized nullification of the Bible. Judaism's God is not the God of true Israel, but the strange gods of Talmud and Kabbalah, and the racial self-worship they inculcate.

Harvest of Despair
The 1932-1933 Soviet-Induced Famine in Ukraine
VHS video
www.hhfilm.com/377.html

This film documents the Ukrainian terror famine of 1932-33, which caused the deaths of 7,000,000 people. Using interviews with survivors and scholars to supplement rare photographic evidence, it established that the terror famine was deliberately created by the Soviet Government as part of Stalin's decades-long effort to destroy the Ukrainian peasantry, who resisted the forced collectivization of their lands. Since its original release, it has received many international awards (including an Academy Award nomination) and has been featured on William F. Buckley's Firing Line program on the PBS television network. A powerful film, Harvest of Despair provides rare insight into one of this century's least-known but most vicious genocides.

Population Control
The War Against Population
By Jacqueline Kasun
Ignatius Press  San Francisco

The Economics and Ideology of World Population Control. The idea that humanity is multiplying at a terrible and accelerating rate is one of the false dogmas of our times. From that notion springs the widely held belief that unless population growth is immediately contained by every governmental and private method imaginable, mankind faces imminent disaster.

A Higher Form of Killing
By Robert Harris and Jeremy Paxman
Hill and Wang
The Noonday Press / New York
A Higher Form of Killing – the Secret Story of Chemical and Biological Warfare  
Ever since the first gas attack during the First World War, man has attempted to come to terms with the impulse that led him to develop these weapons. And, largely, he has failed. The secrecy that has always shrouded gas and germ warfare is far greater and more closely guarded than the history of nuclear weapons. This book breaks through the veil of secrecy, by obtaining previously classified information and talking to many of the people who spent their lives working on what may with justice be called one of the most unknown areas of western military planning.

Death By Government  
By R. J. Rummel  
Transaction Publishers  
New Brunswick (USA) and London (UK)

This book shockingly documents that far more people have been murdered by their own governments, than have been killed by invading armies. Rummel discusses genocide in China, Japan, Cambodia, Turkey, Yugoslavia, Poland, the Soviet Union, and other countries. This compelling book looks at the horrors that occur in societies and how democide has been very much a part of human history, including the massacre of Europeans during the Thirty Years’ War and the relatively unknown genocide of the French Revolution.

The Federal Reserve Bank is NOT “Federal,” it is privately owned. And it has NO “Reserves.” The Unconstitutional Federal Reserve Act, promoted by President Woodrow Wilson, the puppet for the Jews, allowed the Jewish International Bankers to illegally take control of the money supply of the United States. These reprehensible Jewish Bankers believed in government by their own uncontrolled oligarchy whose acts would only become apparent after an interval so long that the electorate would be forever incapable of doing anything efficient to remedy the problem.

The author was formerly a federal investigator for the FAA, the Federal Aviation Administration, investigating plane crashes, holding federal authority to make the determinations and charges that he makes in these pages. His discovery of shocking corruption associated with a series of fatal airline crashes, and the felony cover-up by every known government and non-government check and balance, motivated him to become and activist against corrupt government. This book details the almost unbelievable vengeance of the FAA and other government agencies poured out on a whistle-blower and truth-teller. Betrayers of the Truth  
By William Broad and Nicholas Wade  
A Touchstone Book  
Published by Simon & Schuster, Inc.  
New York

The lure of careerism and big money, the pressures of huge research factories, the repeated failure of supposedly fail-safe mechanisms of scientific inquiry to detect and correct fraud – Betrayers of the Truth is about how science really works and why scientists are tempted to cheat – and DO cheat. From the tidying up of experimental data to the
invention of whole scientific experiments out of thin air, the book examines the various means by which fraud is committed and how it can remain undiscovered for months, years, or even centuries. Authors William Broad, a science reporter with the New York Times, and Nicholas Wade, also with the Times as an editorial writer, cite dozens of cases from astronomy, physics, biology and medicine to show that corruption and deceit have always been as common in science as in any other human undertaking. In so doing, they replace our romantic notions about what science should be with an unforgettable picture of what it is!

Carroll Quigley, professor of history at the Foreign Service School of Georgetown University, was a mentor of former U.S. President Bill Clinton. Bill Clinton, during his presidential acceptance speech, gave thanks to Carroll Quigley for all his help.

Carroll Quigley, although not a member of the Illuminati himself, endorsed the ‘excellence’ (according to him) of their proposed plan to rule the world and enslave all populations of the world. He believed that the average man was not capable of running his own life, and that the wealthy elitists have a right to control the world’s population.

In this book, the diabolic plans of the New World Order are laid out for all to see, yet almost no on is “looking.”

Building A North American Community.

Sponsored by Council on Foreign Relations with the Canadian Council of Chief Executives and the Consejo Mexicano de Asuntos Internacionales.

For those who are skeptical of the fact that the U.S., Canada and Mexico are going to be merged, by the year 2010, into ONE unit – called the North American Community, this book, written and published by the Council on Foreign Relations – the Communist Illuminati in America – proves that they indeed are in the process of doing it right now.

The European Union is the first “kingdom” of the One World Government. The North American Union (Community) is the second “kingdom.” The Asian “kingdom” is also in process, and this will progress until ALL nations in the world have been combined into Ten Kingdoms that will be controlled (enslaved) by the New World Order/Jewish Zionist/Illuminati cabal.

Some of them may go further…"

His richly illustrated text tells the story of how Washington, from its foundation in 1791, was linked with the zodiac, with the meaning of certain stars, and with a hidden cosmological symbolism that he uncovers here for the first time. Dr. Carter is eminently qualified to expose the corruption in Orthodox Medicine and the suppression of Alternative Medicine. He reveals that bona-fide alternative therapies are being disparaged as quackery, health-care givers who offer alternative treatments are being persecuted, government agencies are participating in the harassment of alternative practitioners, drug companies are unduly influencing medical professionals’ actions, kangaroo courts are convicting honorable men and women of trumped-up charges, and the financial bottom line all too often determines what medicine or treatment is researched, tested and approved.

Medicine on Trial
By C. Inlander, L. Levin and E. Weiner
Pantheon Books, New York

The appalling story of medical ineptitude and the arrogance that overlooks it. For years the medical profession has refused to concede that the medical disasters we so often read about in the newspapers – or hear about from friends – are anything more than the rare exceptions that prove how healthy our medical profession really is.

Medicine on Trial, compiled by the directors of the People’s Medical Society, the nation’s largest consumer health-advocacy organization paints a different picture. Among the shocking revelations in Medicine on Trial: 1) as many as 20% of hospitalized patients acquire a condition in the hospital they did not have when they were admitted, 2) as many as 43 million Americans a year have their X-rays misread. 3) the horrifying degree to which the medical profession has been failing the American public, and the success with which they have been keeping this record of failure from us.

James Patterson and Peter Kim set out to take the moral pulse of America in the 1990s. Using state-of-the-art research techniques that way beyond superficial five-minute polls, they conducted the largest survey of private morals ever undertaken in any country to unearth and quantify the personal ethics, values, and beliefs of our times.

Even in the 1990's, this book reveals that the supposed morality of “Christians” is not very different from those who DON'T believe in God.

**Creation vs Evolution**

**Fingerprints of Creation - DVD/video**
www.halos.com/videos.htm

Scientist Dr. Robert Gentry has discovered that granites contain beautiful microscopic coloration halos produced by the radioactive decay of primordial polonium. According to every basic principle of evolutionary theory, these halos should not be there. In the evolutionists' way of thinking, granites originated in a molten state, cooled crystallized and hardened over millions of years in the earth.

But if that's the case, primordial polonium's fleeing radioactivity could never have been captured in the form of a halo. It would have decayed away long before the rock solidified. Polonium radiohalos indicate that the Earth was formed instantly, thus providing the scientific evidence that the Earth had to be created by God.

Final Judgment is, beyond question, the most “controversial” – and certainly the most widely-denounced – book on what is perhaps the most-written-about subject in American history. Yet, most of those who have so hysterically condemned this book have never even read it. Critics viciously attack the author, but they refuse to debate him. CRIMINALS behind the heinous plot, the plot to take over America and rule the world. There is NO other place you will find this information.
